## LEGISLATIVE BRANCH APPROPRIATIONS ACT, 2003

The SPEAKER pro tempore. Pursuant to House Resolution 489 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the consideration of the bill, H.R. 5121.

□ 1422

### IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 5121) making appropriations for the Legislative Branch for the fiscal year ending September 30, 2003, and for other purposes, with Mr. HANSEN in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. Pursuant to the rule, the bill is considered as having been read the first time.

Under the rule, the gentleman from North Carolina (Mr. TAYLOR) and the gentleman from Virginia (Mr. MORAN) each will control 30 minutes.

The Chair recognizes the gentleman from North Carolina (Mr. TAYLOR).

Mr. TAYLOR of North Carolina. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, today we take up the fiscal year 2003 legislative branch appropriations bill; but before we begin, I would like to thank the hard work of the Members of the subcommittee, especially the gentleman from Virginia (Mr. MORAN), our ranking member.

I would like to note that our subcommittee has taken a reasoned approach to our increased needs in the aftermath of September 11. I am pleased to note that we provided a modest 5 percent overall increase over the current fiscal year in this bill. This is especially reasonable when one realizes that well over 75 percent of our costs are personnel related and the cost-of-living component government-wide this year is 4.1 percent. Price level increases account for 1.8 and almost 2 percent of the government-wide spending increase this year. So, in real terms, we have kept our bill below the rate of inflation and cost increases.

We have provided the necessary and sufficient funding in this bill for our security needs, a police pay increase of 5 percent, in addition to their COLA, and increased management flexibility for our new chief. We provide the police with all the additional manpower that they acknowledge that they can recruit and train in the upcoming year.

We have continued our commitment to digitalization at the Library of Congress and gotten back on track with their building program and storage
